### FAIR PLAY & RULES & POINTS

Anyone involved in sport should have:

- Respect for the rules.
- Respect for Officials and accept their decisions.
- Respect for the opponent.
- Concern for equal opportunity.
- Maintenance of dignity under all circumstances.

The rules of Fair Play apply in all circumstances. Having a Fair Play attitude means you not only play by the rules of the game, but also by the principles of sporting behaviour. Because there has been an erosion of sports ethics in recent years, perhaps because of today's achievement – oriented society, there is an even greater need to promote the values of Fair Play. Fair Play thrives with the right attitude, sporting behaviour and a positive environment, becoming evident when:

- Coaches and participants respect the rules of the game.
- Coaches, players and spectators respect the officials and their rulings.
- Opponents are treated with respect.
- Everyone involved in the game behaves in an exemplary fashion.

**POINTS:** 4 for a WIN

2 for a DRAW

1 bonus point for 4 or more tries

**Play fair because we love Sport**
